Cheers Share Table Tennis Club

A Table Tennis Invitation from China

Dear Sir,

I am a representative of the Cheers Share Table Tennis Club in Xi'an, China. It is made up of 3 parts: a training hall, a 3 star hotel, a work out gym. The area of the training hall is 3000 , which can contain 60 standard tables with professional table tennis lighting. The 3 star hotel for international players, perfect training facilities and high level reception conditions, is one of the best table tennis training base in China. We are looking to share our facilities, athletes, and coaches with our friends all around the world through an International Exchange Program. Our blossoming program has already sent players to Sweden and Spain as well as hosted teams and players from Libya and Mexico. We have also hosted Chinese National Paralympic Team and the Chinese National Team which competes in the Olympics. I would like to extend a personal invitation for you to join us if you are interested. We believe that a good training process here will be of great help for your members.

2008 Olympic Games will be held in Beijing China. To enable your team to adapt the climate of Beijing before the competition, and in advance come to the state of competition in the 2008 Olympics, you are welcome to do preparations in Cheers Share Table Tennis Club in Xi'an China.

The website for our club is: www.cheers-share.com.. It includes more information about us as well as resumes for our coaches and athletes. I have also attached a document outlining the specifics of the program. Any of your members wishing to participate will receive help with visa's and logistics. If you have any questions please feel free to contact me at this email address.

Now is spring, the best season in Xi'an. The weather is warm neither too cold, nor too hot, and mild wind blow with pleasant flower flavor. If you are interested in any traditional Chinese art and culture, our club will arrange some courses for you to experience it yourself, such as: a paper-cutting class or a martial arts course or a Chinese cuisine lesson once a week.. Please see our attached documents for detail.

I look forward to hearing from you and have a nice day!

Welcom to China in 2008!

Grace Guo
