"Directions":

We are located in the city of Eastlake, OH in the JFK Senior Center (formerly the William H. Taft School).

Eastlake is an eastern suburb of Cleveland, bordering on Lake Erie, and about 15-20 miles from downtown Cleveland.

Though NOT a mailing address for the club, the JFK Senior Center's official address is:  
1580 East 332nd St. / Eastlake, OH 44095-3922.

THE CLOSEST PARKING LOT TO THE PLAYING VENUE IS THE RIGHTMOST LOT WHICH IS THE FIRST LOT OFF OF A ONE-WAY CIRCULAR DRIVEWAY. Once parked, enter through the doors closest to the "William H. Taft" lettering on the building. Once inside the building, look for the Multi-Purpose room slightly to your left.

FROM WEST: Take the Shoreway (I-90/OH Rte.2) heading East from Cleveland. Near the Euclid/Wickliffe boundary, I-90 & Rte.2 will separate. Stay on Rte.2 (the leftmost two lanes). \*Exit at E.305 St. (the second exit after the split). The exit widens to three lanes at the traffic light. Be in the middle lane to make a wide left turn onto E.305 so as to end up in the far right lane of E.305. Drive a short distance under the Rte.2 overpass and just beyond (NOT AT, NOR BEFORE) the next traffic light, make a right turn onto N. Marginal Rd. Drive about 0.75 mi. on N. Marginal to the intersection of (now) Curtis Blvd. & E.337 St. Make a left onto E.337. Be careful to observe the posted speed limit and go another 0.4 mi. to Morris, which is the second sidestreet on the left. Travel about another 0.15 mi. on Morris, which takes a severe jog to the right, then to the left (so take it slowly). Continue about another 0.15 mi. on Morris to E.332 St. The building should now be in sight. Follow driveway/parking/entering instructions from just above.

FROM EAST: Take OH rte.2 due West. Exit at Vine St. in the middle lane. Turn right onto Vine to be in the leftmost lane. Remain in this lane for the next 1.3 mi. Turn left on E.332 St. and go for another 0.35 mi. until you reach the driveway on the right for the JFK Senior Center. Follow driveway and parking instructions from above.

(IF COMING FROM FURTHER EAST): Take I-90 West until OH Rte. 44. Take 44 North to OH Rte. 2. Now follow "FROM EAST" directions.

FROM SOUTH: Take I-271 North until it ends. Be in the rightmost two lanes to take I-90 West. Follow I-90 West (so stay in the rightmost two lanes) until OH Rte. 2. Be in the rightmost lane to then access Rte. 2 East. Now follow same directions after \* in "FROM WEST" above.
